News Release

The Tehachapi Branch Library Will Be Opening on Monday, December 4

For safety reasons, the Tehachapi Branch Library will be opening on Monday, December 4, instead of the planned Monday, November 13. The Kern County Library is requesting from the Board of Supervisors on Tuesday, November 14, an additional extension as a result of the California State seismic shelving requirements. The installation of the mandated bracing and anchoring of Library shelving units is specific and detailed to meet the California State standards. For safety reasons, the branch cannot be open to the public during this timeframe, as the seismic retrofitting is being completed. We apologize for the unanticipated delay and the inconvenience to the Tehachapi mountain communities.

Grand Opening, Ribbon Cutting, & Library Tour – Details Attached

The Library Tour scheduled for Monday, November 13 will be moved to Monday, December 4 at 4pm.
