County & Public Officials as Guest Readers at Summer Storytimes @ the Beale Memorial Library, 701 Truxtun Avenue, Bakersfield

County & public officials are spending time reading with kids and families to highlight the importance of reading and engaging in literacy activities as a family this summer. The guest reader effort is part of the Kern County Library's Summer Reading Challenge, where kids and teens are challenged to read over the summer months and participate in a wide variety of programs, events, and workshops available in our Library branches around Kern County.
